Wheel Throwing Class

6 Week Wheel Throwing Class | Herrick H. Smith

Monday Nights for 6 Weeks | 5:30-7:00 or 7:30 to 9:00 pm

Smith Works Studios • 24 Grove Ave. • St. Augustine, FL 32084

Local artist Herrick H. Smith leads a hands-on, step-by-step class on wheel throwing methods and techniques. Smith will introduce students to the fundamentals of wheel throwing, functional design, and local ceramic history. Students will gain additional practice rendering form in sketches and bringing those drawings to life. Students will also learn to train their “vernacular glance” to recognize form and find or make decorative tools from the environmental elements that surround us every day.

Class Structure:

2 student spots per class time including 1 hour of instructional and guided practice time followed by ½ hour of independent practice time. The classes will continue on a rolling basis and time slots are first-come-first-serve.

Fee: \$240 per student. All materials and bisque/glaze firing of work associated with the class are included in the fee. A deposit of 50% is required to reserve a spot.

Cancellations before beginning the 6 weeks will receive a refund less a \$80 fee. Rescheduling is strongly discouraged as continuity of practice is the most effective way to learn a hand-skill.
